

.

Minimum Qualification Specifications
for the Class:

DIETARY AID

Specialized Experience:

One year of experience preparing foods which included six months in assisting in the preparation of special diets.

Examination:

For competitive action, applicants must qualify on an appropriate examination for the class. This requirement may be waived for noncompetitive actions.

Physical Requirements:

Standard 13g. Applicants must be physically able to perform effectively the duties of the position, which are described elsewhere in this specification. Good vision in each eye and ability to read without strain printed material the size of typewritten characters are required, glasses permitted. Ability to hear the conversational voice, with or without a hearing aid is required. Any physical condition which would cause the applicant to be a hazard to himself or to others will disqualify for appointment. In addition, applicants must possess emotional and mental stability. A person with a disability will be considered upon demonstration of ability to perform the required tasks or have the ability or means to compensate for his disability sufficiently to perform the job.
